Mr. Vikrant Patil
Chairman and Managing Director
Vinsys IT Services India Limited

Our journey has always been about pushing boundaries, expanding into new markets, reimagining possibilities through digital innovation and building on the strength of our expertise. FY 2024-25 was a continuation of this path, where we transformed opportunities into outcomes across geographies and business verticals.

Our international expansion gained strong momentum, particularly in the Middle East, where timely capital deployment, regulatory support and localised presence have positioned us as the region’s leading corporate training partner. Building on this leadership, we are now scaling our technology services business to capture opportunities in automation, digitisation and large-scale enterprise projects.

In India, our learning solutions business continued to strengthen, complemented by recent wins in technology-led tenders that highlight the trust placed in us by large institutions. Meanwhile, new geographies such as the United States and other global markets are emerging as strategic growth avenues, with even modest share gains holding the potential for meaningful impact.

Across our lines of business, learning solutions, technology services and staffing each contributed to a balanced performance, supported by a sharper focus on efficiency, operational excellence and client retention. With a near-perfect client retention rate and a growing, future-ready workforce, we are deepening relationships and expanding wallet share while opening doors to new partnerships worldwide.

Our Journey

Charting a Brighter Journey through Innovation and Expertise

From modest beginnings in 1998 as a training services provider, Vinsys has steadily evolved into a global enterprise with a diverse portfolio and presence that spans multiple geographies. Along this journey, we have ventured into new markets, expanded capabilities and forged strategic partnerships that have cemented our position in the training and e-learning industry. This trajectory reflects our commitment to innovation, adaptability and sustained growth.

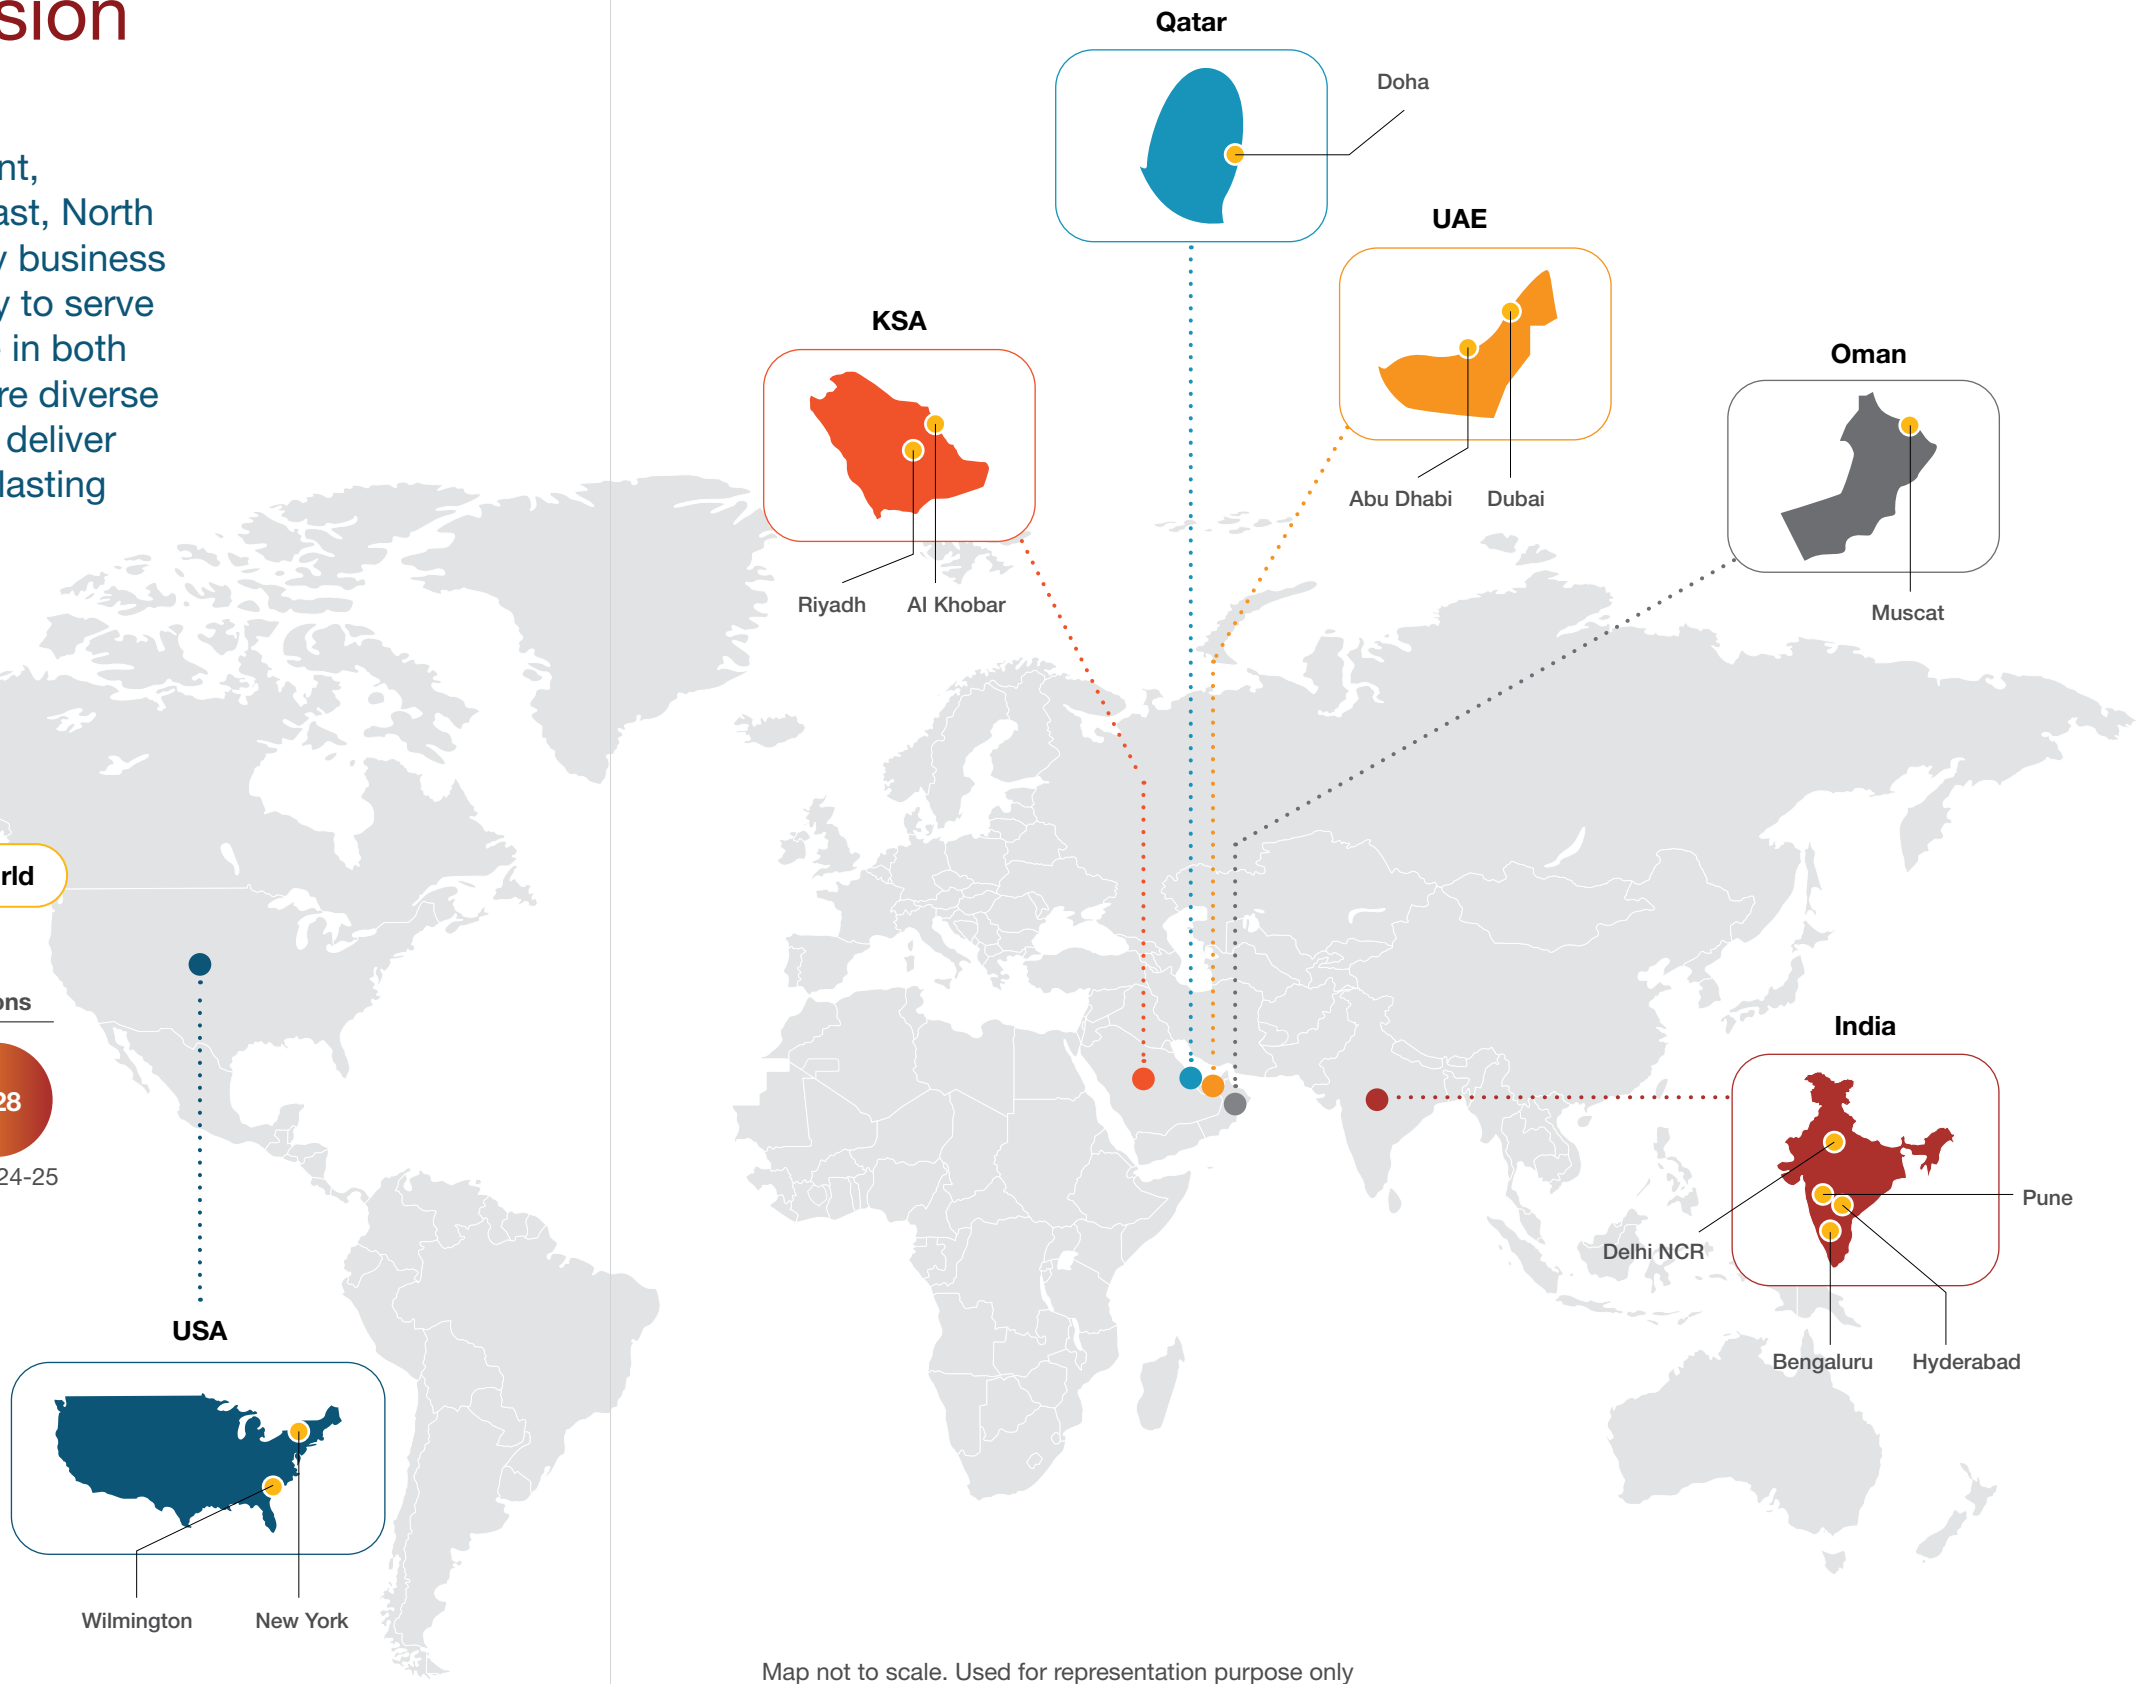

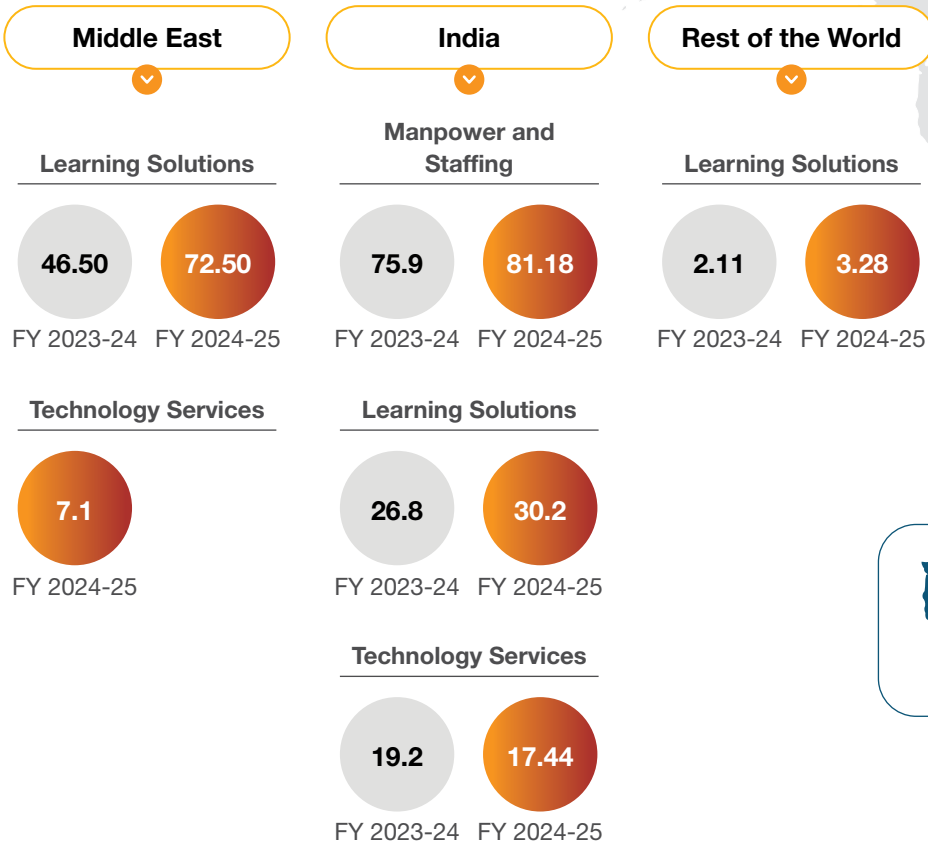

Geographic Presence

Reaching Markets Worldwide through Innovation and Vision

Vinsys has established a strong international footprint, operating across key markets in India, the Middle East, North America and beyond. Strategically located in priority business and technology hubs, our offices afford us the ability to serve clients with agility and precision, while our presence in both mature and emerging markets positions us to capture diverse growth opportunities. This global reach allows us to deliver consistent value, adapt to regional needs and build lasting relationships with clients worldwide.

Segment revenue across geographies

Chairman and MD Message

Scaling the World with Digital Innovation and Expertise

Dear Shareholders,

I am pleased to present this annual report, marking a significant chapter in Vinsys' ongoing evolution as we strengthen our global presence and deliver lasting value across diverse markets.

Amidst an increasingly dynamic and complex global landscape, we continued to demonstrate resilience, innovation and operational agility. We laid a strong foundation for long-term growth while supporting enterprises and professionals worldwide.

The year was not without its challenges—pricing pressures in competitive bids and geopolitical uncertainties in certain markets tested our resolve. However, we navigated these through enhanced value delivery, strengthened local partnerships and a more agile execution model.

Strong Performance Across Business Verticals

Our disciplined execution and diversification across business verticals delivered strong results

during the year. Consolidated revenue increased by 24% to ₹212 crore, driven primarily by faster growth in the Middle East through new client acquisitions and geographic expansion. EBITDA rose by 37% to ₹40 crore, with margins improving to 18.7%, up from 17.0% in the previous year. Profit after tax grew by 31% to ₹30 crore, compared to ₹23 crore in the previous year. While maintaining a strong focus on near-term profitability and cash flow discipline, we continue to invest in key markets, SaaS

offerings and innovation to support long-term value creation.

Each of our business verticals contributed to this momentum, adding resilience to our portfolio and strengthening our future growth trajectory. Learning Solutions grew by 41%, driven by strong demand in international markets and the continued adoption of digital learning models. Technology Services recorded 28% growth, supported by enterprise needs for application upgrades, cybersecurity and SaaS-led automation. The Manpower and Staffing business grew by 7%, serving as a strategic enabler for larger, integrated mandates.

Building Momentum with Operational Excellence

During the year, we enhanced execution capabilities across geographies and expanded our delivery pipeline. Our order book increased from ₹28 crore to ₹47 crore, providing greater visibility into future revenues. Client retention remained strong at over 98%, reflecting the strength of our relationships and the consistency of our service standards. International operations gained momentum, supported by timely investments, while large mandates in financial services and cooperative banking reinforced our position in digital transformation within the Indian market.

We also made significant progress in operational efficiency through advanced tooling, cross-selling across business lines and improved service integration. The achievement of CMMi Level 5 certification further enhanced our ability to participate in large-scale enterprise and government projects.

Digital Solutions That Drive Transformation

Over the year, we advanced our DigiLearn platform with AI-driven features, multi-language support and VR-based immersive learning experiences. Concurrently, our SaaS suite continued to deliver value automation, scalability and data-driven insights for enterprises. Our integrated delivery model, bringing together a comprehensive range of solutions, enables us to generate measurable outcomes that improve productivity, accelerate transformation and strengthen long-term competitiveness for our clients.

Investing in People, Building the Future

The growth of Vinsys is fundamentally driven by our people. Over the year, our workforce expanded by 23% across India and international markets, enhancing our scale and delivery capabilities for larger and more complex mandates. We have also invested in leadership development, inclusion and advanced training programmes to equip our teams with the skills and confidence needed to thrive in a rapidly evolving industry as we enter the next phase of growth.

Advancing with Confidence

As we continue our journey, the focus is on scaling Vinsys into a truly global organisation. We are strengthening our presence in the Middle East while expanding into the United States, Africa and select markets such as Australia, New Zealand and Singapore. Strategic partnerships and selective acquisitions are expected to support this expansion, while diversification

into sectors including healthcare, hospitality and manufacturing will broaden our portfolio. Simultaneously, we are enhancing brand visibility and deepening client relationships through targeted cross-selling and integrated solutions. With ongoing investment in our people, innovation and R&D, Vinsys is well positioned to translate emerging opportunities into sustainable, long-term value.

I extend my sincere gratitude to our employees for their dedication, to our clients and partners for their trust and to our shareholders for their continued confidence. With strong foundations, a global perspective and a clear strategic direction, I am confident that Vinsys will continue to build on its legacy and achieve new milestones in the years ahead.

Warm regards,

Mr. Vikrant Patil

International Director and Promoter Message

Building Trust, Expanding Horizons

Our strong regional presence, with six operational offices and a proven track record of successful alignment with Fortune 500 companies and government entities.

Dear Shareholders,

It is with great pleasure that I present the Annual Report of Vinsys for the financial year 2024-25.

Over the past year, we have observed a global acceleration in digital transformation, with industries increasingly investing in skilled talent and adopting agile, technology-driven business models to remain competitive. This evolving landscape has created significant opportunities for integrated solutions across training, technology and talent management.

For Vinsys, these market dynamics provided a strong foundation to demonstrate our capabilities and further our global expansion. FY 2024-25 marked another important step in our journey of becoming a truly global organisation. Our international business delivered a robust performance, highlighted by a 71% revenue growth in the Middle East, continued momentum in the United States and our initial foray into the African market alongside strengthening our presence in India. Our growth in the Middle East was

particularly noteworthy, driven by the region's digital transformation agenda, large-scale skilling initiatives and increasing demand for integrated IT services. Our deep cultural understanding and strong grasp of regulatory frameworks positioned us well to meet these evolving needs.

Expanding Global Footprints

We strengthened our international presence, making significant progress across key global markets. The Middle East remains our largest growth driver, supported by our established offices in the UAE, Saudi Arabia, Qatar and Oman. Our ability to offer multilingual services, coupled with local engagement, enabled us to build strong client relationships with leading organisations such as ADNOC, Emirates NBD, Dubai Police, Dubai Islamic Bank, Qatar Bank and the Dubai World Trade Centre.

In the United States, our learning solutions gained traction as enterprises turned to agile and scalable models. Simultaneously, we explored new opportunities in Africa and other emerging markets, aiming

to diversify our international portfolio and create a more balanced global revenue mix. Looking ahead, we see strong potential across sectors such as government, energy and oil and gas, BFSI, as well as telecom and infrastructure, each offering promising opportunities for our integrated service offerings.

Driving Innovation, Delivering Excellence

Our international growth has been driven by a strong focus on digital innovation and a commitment to service excellence. We expanded our portfolio to include AI-powered learning platforms, cloud-native solutions and advanced cybersecurity services, positioning Vinsys as a trusted partner for enterprises undergoing digital transformation. We further enhanced our service delivery with flexible staffing solutions and sector-specific customisations, particularly for clients in the energy, BFSI and government sectors.

Achieving CMMI Level 5 certification was a significant milestone, reinforcing our capability to compete for large-scale technology projects across global markets. Our strategic alliances with leading technology providers, including AWS, Microsoft, SAP, Autodesk, PMI and IBM, have expanded our ability to deliver world-class, customised solutions that meet the evolving demands of our diverse clientele.

Standing Apart in a Competitive Global Landscape

While the GCC and other international markets are highly competitive, Vinsys continues to differentiate itself through an integrated service portfolio encompassing skilling, IT

services and staffing solutions. Our strong regional presence, with six operational offices and a proven track record of successful alignment with Fortune 500 companies and government entities. Our ability to combine cultural alignment with multilingual expertise is a decisive advantage that many global competitors are unable to match. We continue to pursue a strategic 'land-and-expand' approach, deepening relationships with existing clients through consistent value addition, while leveraging case studies and partnerships to acquire new ones.

Navigating Complexity with Confidence

Operating across multiple geographies brings inherent challenges, including diverse regulatory frameworks, cultural nuances and geopolitical shifts. We address these complexities with agility through strong compliance practices and empowered local leadership teams that ensure seamless service delivery across all markets.

Our focus on localisation, through regional partnerships, stakeholder engagement and integrated risk management, has enabled us to minimise disruptions while maintaining the trust and confidence of our clients. This adaptability has been instrumental in sustaining our growth trajectory and strengthening Vinsys' reputation as a reliable global partner.

The Road Ahead

We are confident that our international business will continue to be a key driver of Vinsys' growth journey. Over the next few years, our aim is to increase the contribution of

global operations to more than half of the Company's total revenue. This ambition will be supported by deeper client engagement in the Middle East, accelerated expansion in the United States and the pursuit of new opportunities across emerging Asian markets.

We will prioritise digital innovation, strategic partnerships and the strength of our global talent pool. We are scaling AI-driven learning platforms, expanding our cloud and SaaS offerings and leveraging our global alliances to better meet the evolving needs of clients worldwide. Also, we will continue to strengthen operational resilience through localisation, regulatory compliance and sustainable practices, reinforcing our credibility as a long-term, trusted partner.

As we move forward, we are committed to delivering long-term value for all our stakeholders—customers, employees, partners and shareholders alike. With strong foundations in India, a growing presence in the GCC and expanding footprints in the US, Europe and Africa, we are shaping Vinsys into a global enterprise that combines world-class expertise with local relevance.

On behalf of the entire Vinsys team, I extend my sincere gratitude to all our stakeholders for their trust and support. Your confidence enables us to embrace new opportunities and chart a brighter future.

Sincerely,

Mr. Kunal Patil

Growth Strategy

Forging the Future through Innovation and Global Reach

We follow a growth strategy that balances market consolidation with long-term value creation for our stakeholders. We focus on expanding our global reach, diversifying service offerings and deepening client relationships. Strategic M&A, collaborative partnerships and sustained innovation are integral aspects of our approach, enabling us to address evolving market needs and deliver differentiated solutions.

Strategic M&A and Global Partnerships

We continue to explore mergers and acquisitions in the training and e-learning sector, with a particular focus on companies with revenues ranging from USD 500,000 to USD 1 million. Our history of successful joint ventures and acquisitions has strengthened our market presence and enhanced financial performance. Through strategic alliances, we aim to develop cutting-edge training solutions that address industry-specific challenges and deliver measurable outcomes.

Expanding Global Footprint

Our geographic growth strategy aims to consolidate our presence in India and the UAE while expanding operations in the US, Saudi Arabia, Oman and Qatar. We also plan to enter underserved and high-growth African markets, such as Nigeria, Kenya and Tanzania. In addition, targeted initiatives in Australia, New Zealand and Singapore will further augment our global reach.

Diversification across Sectors and Services

We are broadening our service offerings across both premium and mid-market segments. Leveraging our expertise in IT training, we are expanding into new verticals, such as healthcare, hospitality and manufacturing. The development of in-house proprietary tools enables us to deliver scalable and efficient client solutions, while sustained investment in R&D continues to enhance our products and services.

Strengthening Brand Visibility and Client Retention

We focus on enhancing brand recognition and recall across domestic and international markets. By providing complementary solutions to existing clients, such as extending resourcing services to our training clients, we deepen engagement, augment wallet share, strengthen retention and establish lasting partnerships.

Hi,

Dear Ms. Jyoti, this is just to acknowledge your healthy support and co-ordination during my journey to ISO 45001 LA and ISO 14001 LA with Vinsys. Without a doubt your timely support has always been there throughout this journey, especially when I wanted to reschedule my 14001 LA learning due to some work-related issues. You have always been approachable with a welcoming attitude and I truly appreciate all this.

I wish you all the best of luck in your future endeavours.

Thank you very much.

Kind Regards,

Bilal Ejaz

Hi Priya Mam,

I would like to take a moment to express my sincere gratitude for your invaluable support and guidance throughout my journey towards achieving the CISA certification. Your expertise and dedication have been instrumental in helping me navigate the complexities of the exam process and I am deeply appreciative of all the assistance you have extended.

Your willingness to patiently address my queries, provide insightful advice and offer encouragement at every step of the way have made a significant difference. Your efforts have not only enhanced my understanding of the course material but also boosted my confidence to tackle the exam with determination.

I truly believe that your commitment to your role as a course counsellor goes beyond mere professionalism. Your genuine care and concern for your students' success are evident in everything you do. I feel fortunate to have had the opportunity to learn from someone as knowledgeable and supportive as you.

Once again, thank you for your unwavering support throughout this journey. I look forward to applying the skills and knowledge gained from the CISA certification in my career and I will always remember the pivotal role you played in this achievement.

Warm regards,

Sanjay Sawant

Dear Harshal,

I had an exceptional experience with the Company when enrolling in the ISO BCMS (Business Continuity Management System) course and taking the exam. From the very beginning, the Company demonstrated its commitment to providing a seamless and supportive learning journey.

The enrolment process was straightforward and your support was incredibly helpful in addressing any questions or concerns I had.

The study materials provided were of excellent quality, enabling me to grasp the key concepts and prepare effectively for the exam.

Overall, my experience with the Company in relation to enrolling in the ISO BCMS course and taking the exam was outstanding, leaving me with a strong foundation in business continuity management and a sense of accomplishment. I would like to especially thank you for your continued support throughout the course.

Kind regards,

Afnan Shams

Our People

Empowering Talent through Care and Opportunity

A workplace becomes truly powerful when it recognises, nurtures and empowers its people. Our HR philosophy revolves around recognising achievements, nurturing well-being and creating opportunities for growth. Through initiatives spanning career development, health and wellness, cultural engagement and team-building, we continue to cultivate a workplace where talent thrives, collaboration is encouraged and employees feel valued both professionally and personally.

Building a Future-Ready Workforce

We continue to strengthen our training and development framework with a forward-looking approach. By analysing industry trends and anticipating future skill requirements, we design programmes that equip employees with competencies in digital transformation, artificial intelligence and leadership agility. Our blended learning ecosystem integrates instructor-led sessions, e-learning, simulation-based modules and real-time project exposure. Global certifications, knowledge-sharing initiatives and continuous learning opportunities further prepare employees to adapt to evolving business landscapes.

Preparing Next Generation of Leaders

Identifying and nurturing high-potential talent remains a core area of our focus. Through performance analysis, behavioural assessments and leadership potential mapping, we identify individuals prepared to take on critical roles in the future. Leadership journeys include mentorship, cross-functional assignments and global project exposure. Our Leadership Acceleration Programmes enhance strategic thinking, innovation and people management, supported by robust succession planning to ensure a strong pipeline of future-ready leaders.

Celebrating Milestones and Talent Growth

We take pride in recognising employees who reach significant career milestones. These achievements reflect the collective strength and resilience of our team, exemplifying our focus on nurturing internal talent and enabling enduring growth within the organisation.

Health and Social Responsibility

Our initiatives extend beyond the workplace. Through our partnership with DKMS BMST Foundation India, we support the fight against blood cancer, thalassemia and aplastic anaemia that not only save lives but also inspire empathy and purpose among our employees. In addition, our association with SDSSMK Dharmik Trust helps preserve the Vedic tradition and propagate the philosophy of Shri Adi Shankaracharya, reflecting our wider social contribution.

Cultural and Creative Engagement

Creativity, inclusivity and teamwork remain central to our culture. From our Master Chef competition to Unity in Diversity celebrations, we provide platforms for employees to showcase their talents and share

cultural traditions. Signature events such as Vin Fiesta and the Vinsys Dandiya Battle add vibrancy to our calendar, strengthening bonds, celebrating diversity and creating a dynamic workplace experience.

Promoting Holistic Well-being

Our approach to employee well-being is holistic. We integrate regular yoga sessions, along with a range of sporting activities, including cricket, badminton, chess and carrom. These activities encourage a balanced lifestyle, nurture camaraderie and enhance overall morale and productivity.

A Vibrant Workplace Culture

Whether through healthcare partnerships, training programmes, cultural celebrations or wellness activities, we at Vinsys continue to shape a workplace where people feel empowered, valued and inspired to achieve collective success. Our people-first approach underpins our ability to deliver sustainable growth and lasting impact.

Community Welfare

Enriching Lives Beyond Business

At Vinsys IT Services, our CSR endeavours focus on creating meaningful and lasting change in communities. By collaborating with trusted partners and engaging local stakeholders, we strive to address critical social requirements, uplift livelihoods and advance sustainable development for a brighter collective future.

Vision

Building a society with equal opportunities for all.

Mission

Empowering communities through education, healthcare and sustainable development.

Management Discussion and Analysis

Economy Overview

Global Economy¹

CY 2024 marked a year of resilience for the global economy. It expanded by 3.3% despite persistent structural and geopolitical headwinds. This momentum was largely fuelled by Emerging Market and Developing Economies (EMDEs), which posted a strong 4.3% expansion, while advanced economies grew at a moderate pace of 1.8%. This divergence reinforces the importance of emerging markets as engines of global growth. The US economy expanded by 2.8% on the back of steady consumer spending, strong labour market fundamentals and real income growth. In contrast, economic conditions in Europe were tempered by tight monetary settings and prevailing macroeconomic challenges. The economy of China benefitted from government-led investments, yet the property market continued to weigh on overall growth momentum. In terms of market exchange rates, world output was estimated at \$110.5 trillion, while in Purchasing Power Parity (PPP) terms, it reached \$196.1 trillion, reflecting sustained economic resilience.

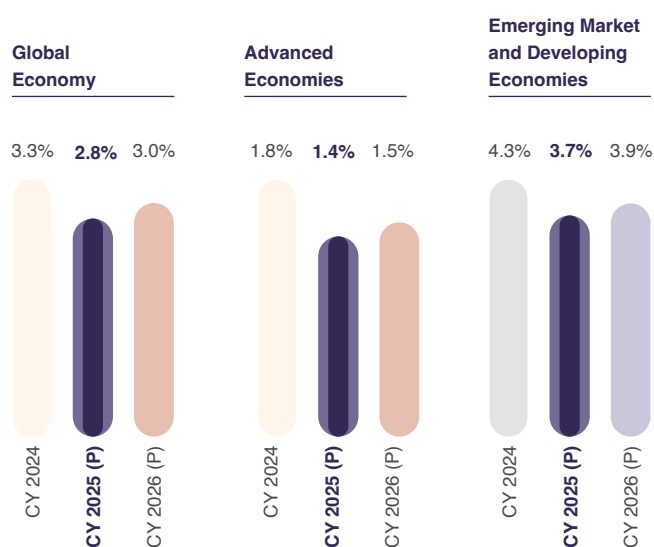

Headline inflation worldwide eased to 5.7% in CY 2024. In emerging and developing economies, inflation averaged 5.5%, suggesting early progress towards price stabilisation. Despite policy-induced headwinds, most notably US tariff hikes on key imports aimed at strengthening domestic industries and addressing trade imbalances, global trade volumes rose during the year. While these measures created some uncertainty in global trade, major economies adapted well, contributing to overall economic stability and moderate economic progress.

Outlook

Global economic growth is projected to moderate to 2.8% in CY 2025, with a slight improvement to 3.0% in CY 2026, reflecting cautious optimism amid ongoing global adjustments. Emerging Market and Developing Economies (EMDEs) are expected to remain the primary drivers of growth, with forecasts of 3.7% in CY 2025 and 3.9% in CY 2026, supported by resilient domestic demand and investment momentum. In contrast, advanced economies are likely to experience slower growth, with projections of 1.4% and 1.5% in the same period, as they continue to navigate the effects of tight monetary policies and shifting trade dynamics.

Inflationary pressures are anticipated to continue easing, with global inflation declining to 4.3% in CY 2025 and further to 3.6% in CY 2026, aided by stabilising commodity prices and improved supply chain conditions. Advanced economies are forecasted to record lower inflation levels compared to emerging markets.

While geopolitical uncertainties pose risks, government investments, fiscal discipline and improving market confidence will support economic stability and promote a more balanced and resilient global growth trajectory.

Indian Economy²

In FY 2025, the economy of India recorded a growth of 6.5%. This steady expansion was supported by resilient domestic demand, favourable agriculture conditions following an above-average monsoon, a resurgence in the manufacturing industries and sustained expansion of the services sector. Government expenditure on infrastructure and healthy financial position of banks and companies also contributed to the economic growth. Retail inflation in India declined to 4.6% in FY 2025, marking the third consecutive year of decline. The Reserve Bank of India's prudent monetary policies and various government interventions to establish price stability and reduce inflation also contributed to the overall momentum.

Outlook

India's real GDP growth for FY 2026 is projected at 6.5%, with a slight improvement to 6.7% in FY 2027, contingent on a normal monsoon and absence of major disruptions. Growth will be supported by steady rural demand, strengthening urban consumption and rising investment activity. Financing conditions are expected to remain favourable, aided by high-capacity utilisation, the robust financial health of the banking sector and sustained government spending on infrastructure. Inflation is anticipated to remain stable at around 4.0% in FY 2026, aligning with the RBI's target. Moderating crude oil prices, balanced demand-supply dynamics and supportive policy measures are likely to keep inflationary pressures under control.

Industry Overview

Global IT Industry

The global Information Technology (IT) industry is witnessing a notable transformation, propelled predominantly by the expedited adoption of Artificial Intelligence (AI). This transition has resulted in significant capital inflows into data centres and AI-specific hardware and software solutions, with projections indicating that the market could reach \$990 billion by CY 2027³. Such accelerated growth is expected to exert pressure on supply chains, potentially precipitating shortages in semiconductors and other critical components. Additionally, the industry is undergoing a strategic shift towards vertical integration as companies develop domain-specific language models to handle specialised computing tasks. Collectively, these developments are reshaping the global technology landscape, creating new hubs and altering the competitive dynamics across the sector.

Global IT expenditure is projected to register a robust 9.8% growth in CY 2025⁴, facilitated by heightened investments in cloud computing, artificial intelligence and cyber security. Organisations are expediting digital transformation efforts to enhance operational efficiency and improved customer engagement. While the growth trajectory remains promising, headwinds, such as talent shortages and macroeconomic uncertainties may impact the rate of technology adoption. Overall, the industry is set for meaningful expansion, with next-generation technologies playing a crucial role in shaping future business strategies.

Indian IT Industry

In FY 2025, India strengthened its position as a global technology and innovation hub, exhibiting resilience in amid of geopolitical and macroeconomic uncertainties. The industry is estimated to generate \$283 billion in revenue, marking a 5.1% year-on-year (y-o-y) growth, with exports crossing \$200 billion and domestic technology spending approaching \$60 billion. Net hiring expanded by 126,000, bringing the total workforce to 5.80 million. Key growth drivers include the strong demand from the US market and the BFSI sector, alongside emerging opportunities in APAC, Telecom, Retail and Healthcare. AI-led IT service expansion, cloud-native solutions, cyber security and deep-tech innovations are some of the key themes that are shaping the sector. Concurrently, ER&D and Global Capability Centres (GCCs) are emerging as crucial pillars of growth.⁵

The Indian IT industry is poised for sustained growth, with revenue expected to grow by 4-6% in USD terms for FY 2026⁶, building on the gradual recovery seen in recent quarters. Despite persistent macroeconomic headwinds, including potential US trade tariffs and policy shifts, the industry remains resilient, supported by strong deal pipelines and heightened digital transformation. Attrition has moderated to a healthy 12-13%⁷ and cost optimisation efforts are helping sustain operating profit margins at 22.5-23.0%⁸. A notable catalyst of growth is the rapid adoption of Generative AI (GenAI), with BFSI and healthcare sectors leading AI-driven investments. As IT companies broaden their GenAI capabilities, the industry is poised to unlock new opportunities, setting the stage for long-term expansion and innovation.

Growth Drivers⁹

Increased IT Spending – Companies across sectors are planning to augment their IT budgets to expedite their digital transformation plans and utilise technology to drive efficiency, reduce costs and improve overall performance.

Artificial Intelligence (AI) Investments – The rapid rise of AI, particularly in emerging domains such as Generative AI, is encouraging substantial investments in AI-related hardware such as advanced chips, as well as in the infrastructure needed to run these systems. This trend is foreseen to considerably boost revenue generation in the semi-conductor industry in the years ahead.

Emerging Technologies – Advancement in areas, such as cloud computing, cyber security and data analytics are creating new avenues of growth for tech companies. These innovations are enabling the development more powerful, secure and intelligent solutions that help businesses stay competitive and meet modern demands.

Digital Transformation – Organisations are increasingly integrating digital tools, software and platforms not only to streamline operations but also to offer a better experience to their customers. This shift is spurring demand for a diverse range of technology products and services.

Global Economic Recovery – As global economies continue to recover from recent slowdowns, investment in technology is gaining momentum. Companies see technology as a key driver for improving growth, staying competitive and adapting to a fast-changing business environment.

Global BPM Industry¹⁰

Global BPM Market Growth Trend

\$ in Billion

Business Process Management Market to grow at
18.6% CAGR during 2025-2032

Source: Fortune Business Insights Report

The global Business Process Management (BPM) industry, valued at an estimated \$17.78 billion in 2024, is envisioned to grow rapidly to \$70.93 billion by 2032, reflecting a strong CAGR of 18.6%. BPM refers to tools and software that enable enterprises to analyse, monitor and optimise business processes, thereby enhancing operational efficiency and

achieving strategic objectives. Major players, such as IBM, Oracle, Software AG, Red Hat and Tibco are offering platforms that increasingly use AI and machine learning for better compliance, security and automation. The adoption of BPM solutions is on the rise as businesses seek greater agility, higher productivity, improved sales outcomes and enhanced customer experiences.

Indian BPM Industry

The Indian Business Process Management (BPM) industry, forming an integral part of the larger Information Technology and BPM (IT & BPM) sector, remains a crucial contributor to the nation's digital transformation and economic progress. Supported by a vast pool of skilled talent and a strong ecosystem of educational and training institutions, the sector is further bolstered by government initiatives that promote digital literacy, infrastructure development and favourable policies conducive to growth. The sector thrives on advancements in cutting-edge technologies, such as artificial intelligence, cloud computing and blockchain, which fuel innovation and enable the creation of sophisticated and competitive solutions.

India's IT & BPM sector commands significant strength on the back of a large technology workforce of 5.43 million professionals, with 2 million digitally skilled and a cost advantage relative to other global cities through lower costs for labour, living and commercial space. This affordability, combined with robust domestic demand, drives continual industry growth. This is evident in the annual revenue of \$54 billion in FY 2024 with a 5.4% growth rate. The country's vibrant startup ecosystem is also notable, ranking third globally with 114 unicorns and the engineering R&D segment growing at 7.8% annually, underscoring the sector's innovation prowess.

India is increasingly positioning itself as a global technology hub, attracting investments, promoting collaboration and nurturing talent. The IT & BPM sector, therefore, not only supports digital inclusion and socio-economic progress domestically but is also set to shape the future of the worldwide digital economy. Initiatives such as support for data centre projects highlight the industry's ongoing momentum and commitment to infrastructure development. Overall, the Indian BPM industry is a dynamic, innovative and strategically important sector underpinning the nation's digital future and economic competitiveness.

Growth Drivers

Adoption of Emerging Technologies: The heightened integration of automation, Artificial Intelligence (AI), Machine Learning (ML), Robotic Process Automation (RPA), cloud computing, blockchain, big data analytics and Internet of Things (IoT) within BPM services is significantly enhancing efficiency, accuracy and scalability, thereby driving growth.

¹¹<https://www.fortunebusinessinsights.com/business-process-management-bpm-market-102639>

¹²<https://www.investindia.gov.in/sector/it-bpm>

Digital Transformation Initiatives: Both private sector investments and government programmes, such as Digital India, Skill India, Startup India and Make in India are fuelling the demand for BPM services by propelling the shift to digital tools and platforms across industries.

Large Skilled Talent Pool: India's extensive and digitally skilled workforce, supported by a network of educational and training ecosystems, enables delivery of sophisticated BPM services to a global clientele, cementing the country's position as a BPM hub.

Cost Advantage: The nation's favourable cost structure spanning in labour, living and commercial spaces, relative to other global cities, offers a compelling value proposition to international clients seeking high-value BPM services at optimised costs.

Rising Domestic and Global Demand: Growing adoption of BPM services, both internationally and within India is broadening the market footprint. The industry is transitioning beyond traditional outsourcing to offer outcome-based pricing, micro-vertical specialisation and strategic partnerships. This approach is delivering greater value to the clients.

Government Policy and Infrastructure Support: Supportive policy frameworks, infrastructure development, digital literacy programmes and investment incentives continue to create a conducive environment for BPM industry expansion.

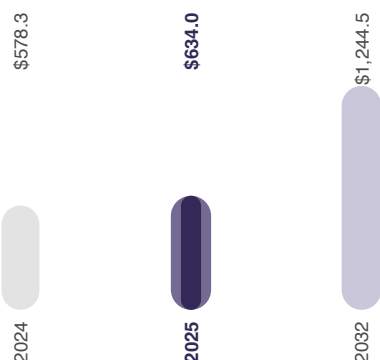

Innovation and Startup Ecosystem: India's expansive startup ecosystem, coupled with rising investments in engineering research and development are creating an environment of sustained innovation for BPM services.

Global Staffing Services Market¹³

Global Staffing Agency Software Market Growth Trend

Staffing Agency Software Market to grow at
10.1% CAGR during 2025-2032

\$ in Million

Source: Fortune Business Insights Report¹⁴

The global staffing agency software market, valued at \$578.3 million in 2024, is projected to more than double to \$1,244.5 million by 2032, reflecting a Compound Annual Growth Rate (CAGR) of 10.1%. North America leads this market, accounting for 43.3% of global share in 2024. This category of software helps staffing firms manage the entire recruitment cycle, encompassing sourcing, recruiting and tracking candidates for various employment formats, such as temp-to-hire, contract and long-term roles. The software's adaptability and scalability are critical attributes, which are driving market growth by improving candidate tracking and process efficiency. In addition, market expansion is being fuelled by increasing demand from small and medium-sized enterprises with rise of technological advancements and digitisation, especially in emerging countries. An example of market innovation is Bullhorn Ventures, which launched in early 2022 with a \$20 million investment to support startups that enhance staffing and recruiting firms' operational efficiency and growth prospects. Together, these factors contribute to the robust expansion of the staffing agency software market globally.

Indian Staffing Services Market¹⁵

Flexi Staffing Industry New Employment Growth QoQ (Q2 24-25)

Source: Indian Staffing Federation¹⁶

The Indian staffing services market recorded a healthy 17.9% year-on-year growth in the second quarter of 2025, reflecting sustained demand for flexible staffing solutions. Members of the Indian Staffing Federation (ISF) contributed significantly to this momentum, creating a net addition of 2.35 lakh jobs over the past four quarters. General staffing registered an even stronger expansion of 18.4% YoY. This performance can be attributed to multiple sectors expanding their workforce. Notably, the IT staffing segment, which had previously faced challenges, returned to growth with 5.4% YoY and 4.1% Quarter-on-Quarter (QoQ) in Q2 2025. Overall, the industry grew by 5.9% QoQ, largely fuelled by augmented hiring in the general staffing across various sectors.

¹⁶<https://www.indianstaffingfederation.org/research.php>

The market continues to benefit from robust hiring intentions, driven by business expansions, digital transformation and a growing emphasis on upskilling. Large organisations remain at the forefront of workforce expansion, with technology, industrial and financial sectors sustaining strong momentum. Despite prevailing global uncertainties, the Indian staffing sector remains a critical contributor to the growth of formal employment. This highlights both the rising demand for flexible workforce solutions and the steady formalisation of the nation's labour market.

In summary, the Indian staffing services market is on a strong growth trajectory, driven by vibrant activity in general staffing and a recovering IT staffing segment. This growth is fuelled by favourable business conditions and the evolving demand for workforce flexibility and specialised skills.

Growth Drivers

Increasing Demand for Specialised Talent – Businesses are increasingly seeking professionals with niche expertise for short-term projects or emerging domains. Staffing firms bridge this gap by providing swift access to specialised professionals on flexible terms.

Expansion of Flexible Workforce Models – Organisations are moving beyond conventional hiring, adopting hybrid and contingent workforce models to respond promptly to market changes. Staffing agencies enable this flexibility by supplying temporary, freelance and contract workers as required.

Integration of Advanced Recruitment Technologies – Tools like AI-driven talent sourcing, automated candidate engagement and predictive hiring analytics are transforming how staffing firms identify and place candidates efficiently and effectively.

Emphasis on Building Diverse Teams – Diversity and inclusion are gaining prominence as drivers for innovation and organisational culture. Staffing firms that excel in reaching diverse candidate pools and use fair recruitment processes are securing a competitive advantage.

Positive Economic Conditions Spurring Hiring – As the nation's economy grows and sectors expand, companies are preferring staffing solutions for scalable workforce management, mitigating the risks of permanent hiring during periods of uncertainty.

Outlook

Vinsys enters FY 2026 with strong momentum, supported by rising global technology adoption and India's push for digital skilling and infrastructure development. The Company is strategically focused on expanding into new international markets while deepening engagement with Fortune 500 enterprises and government clients. Its DigiLearn platform is expected to evolve into a flagship offering, leveraging AI-driven personalisation, immersive content and multi-language support to address the growing demand for scalable digital learning solutions. In parallel, Vinsys is well positioned to capitalise on opportunities across government skilling initiatives, BFSI digital transformation and AI-led IT services, backed by its established domain expertise and certifications. With disciplined execution, a robust financial base and a clear strategy balancing growth with margin protection, Vinsys is poised to enhance its leadership position in integrated skilling, IT services and workforce solutions on a global scale.

Human Assets

Vinsys regards its employees as its most valuable asset, integral to the Company's sustained growth and success. Its workforce comprises a balanced mix of experienced professionals and emerging talent, bringing both stability and innovative thinking. The Company promotes employee engagement through diverse initiatives. In FY 2024, it partnered with the DKMS BMST Foundation India to support the fight against blood cancer, thalassemia and aplastic anaemia, nurturing a culture of social responsibility among its staff. Vinsys is equally committed to ensuring a healthy, safe and inclusive workplace and implements programmes that promote physical and mental well-being, such as cricket, badminton, carrom, chess and regular yoga sessions. These initiatives aim to boost productivity, improve employee health and build a positive workplace culture.

Risk and Concerns

Risk	Key Concern	Strategic Mitigation
 Economic Risk	Fluctuations in interest rates, inflation and fiscal/monetary policies affecting profitability and performance.	Diversifies revenue streams, implements cost-control measures and utilises scenario planning to proactively address potential disruptions.
 Foreign Exchange Risk	Exposure to currency fluctuations impacts margins in international operations.	Uses multi-currency transactions, dynamic pricing and natural hedging by matching foreign inflows with outflows to minimise net exposure.
 Customer Risk	Dependence on a strong customer base; loss of key clients could affect sales and profitability.	Strengthens CRM systems, diversifies customer portfolio and maintains high service quality to boost retention and satisfaction.
 Competition Risk	Highly competitive market influences pricing and product quality.	Invests in R&D for product differentiation, builds brand strength and forms strategic alliances to maintain competitive pricing and market position.
 Technology Risk	Reliance on technology; lagging in upgrades or cybersecurity can hinder operations.	Invests in advanced tech, enhances cybersecurity through audits and training and continuously upskills employees on emerging technologies.
 Regulatory Risk	Alterations in statutory and regulatory requirements may disrupt operations.	Regularly updates compliance frameworks, proactively engages with legal advisors and ensures readiness for regulatory changes.
 Financial Risk	Delayed or defaulted payments can strain liquidity and cash flow.	Strengthens credit assessments, negotiates favourable payment terms, streamlines collections and maintains adequate reserves.

Internal control systems and their adequacy

The Company has in place strong internal control procedures commensurate with its size and operations. The Company believes that safeguarding of assets and business efficiency can be prolonged by exercising adequate internal controls and standardising operational processes. The internal control and risk management system is structured and applied in accordance with the principles and criteria established in the corporate governance code of the organisation. It is an integral part of the general organisational structure of the Company and Group and involves a range of personnel who act in a coordinated manner while executing their respective responsibilities. The Board of Directors offers its guidance and strategic supervision to the Executive Directors and management, monitoring and support committees.

Independent Auditor's Report to the Members

TO
THE MEMBERS OF
VINSYS IT SERVICES INDIA LIMITED

OPINION

We have audited the accompanying Standalone Financial Statements of **VINSYS IT SERVICES INDIA LIMITED** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2025, the Standalone Statement of Profit and Loss for the year ended on March 31, 2025, the Standalone Statement Cash Flow statement for the year ended and and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013, (the Act) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its Profit / (Loss) and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the Standalone Financial Statements in accordance with the standards on Auditing specified under section 143 (10) of the Act (SAs). Our

responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provision of the Act, and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter

Assessment of Trade Receivables:

The Company has trade receivables amounting to Rs. 3270.04 Lakhs (i.e. 28.76% of total assets) at the Balance Sheet Date March 31, 2025.

The increasing challenges over the economy and operating environment in the IT industry during the year have increased the risks of default on receivables from the Company's customers. In particular, in the event of insolvency of customers, the Company is exposed to potential risk of financial loss when the customers fail to meet their contractual obligations in accordance with the requirements of the agreements.

Based on historical default rates and overall credit worthiness of customers, management believes that no impairment allowance is required in respect of outstanding trade receivables as on March 31, 2025.

For the purpose of impairment assessment, significant judgements and assumptions, including the credit risks of customers, the timing and amount of realisation of these receivables, are required for the identification of impairment events and the determination of the impairment charge.

	<p>Auditor Response to key Audit Matter:</p> <p>Principal Audit Procedures:</p> <p>We have performed the following procedures in relation to the recoverability of trade receivables:</p> <ul style="list-style-type: none"> • Tested the accuracy of aging of trade receivables at year end on a sample basis; • Obtained a list of outstanding receivables and assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers, publicly available information and latest correspondence with customers; • Tested subsequent settlement of trade receivables after the balance sheet date on sample basis. <p>Conclusion:</p> <p>We found the key judgement and assumptions used by management in the recoverability assessment of trade receivables to be supportable based on the available evidence.</p>

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON.

The Company's Board is responsible for the preparation of the other information. The other information comprises the information included Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the, Financial Statements and our Auditor's Report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements to give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with accounting standard and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and

estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatements of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures

responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may

reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Financial Statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) On the basis of the written representations received from the Directors as on March 31, 2025, taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2025, from being appointed as a Director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure "A"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors

during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanation given to us:

(i) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements.

(ii) The Company has made provision, as at March 31, 2025, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

(iii) The Company is not liable to transfer any amounts, to the Investor Education and Protection Fund during the year ended March 31, 2025.

(iv) a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in

writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(v) The Company has not declared any dividend during the F.Y. 2024-25.

(vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor's Report) Order, 2020, (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in **"Annexure B"** a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Auditor’s Report

Report on the Internal Financial Control under clause (i) of sub section 3 of Section 143 of the Companies Act , 2013, (‘The Act’)

We have audited the internal financial control over financial reporting of **Vinsys IT Services India Limited** (‘the Company’) as of 31st March, 2025 in conjunction with our audit of the Standalone financial statement of the Company for the year ended on that date.

Management Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by ICAI and the standards on auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over

financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025,

based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B” to the Auditor’s Report

Referred to in Paragraph 2 Under “Report on Other Legal and Regulatory Requirements” of Our Report to the member of Vinsys IT Services India Limited of Even Date

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- 1) In respect of the Company’s Property, Plant and Equipment and Intangible Assets:
 - a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a program of physical verification of Property, Plant and Equipment so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) The title deeds of immovable properties are held in the name of the Company.
 - (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year
 - (e) No proceeding have been initiated or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- 2) (a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.
- b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- 3) In our opinion the investments made by the Company are prima facie, not prejudicial to the interest of the Company. Further the Company has not, provided any guarantee or security, granted any loans or advances in the nature of loans , secured or unsecured to companies, firms, LLP or other parties covered in register maintained under section 189 of the companies act 2013. Hence the question of reporting such loans are not prejudicial to the Company’s interest or whether the receipt of the principal amount and interest are regular and whether reasonable steps for recovery of overdues of such loan are taken, does not arise.
- 4) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.
- 5) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- 6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- 7) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Goods and Service Tax, Duty of Customs, Cess and any other statutory dues with the appropriate authorities and no statutory dues were outstanding as at 31st March, 2025 for a period of more than six months from the date they became payable except as followings:
 - b) According to the information and explanation given to us, there are no dues of income tax, Goods and service tax and duty of customs outstanding on account of any dispute.
- 8) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- 9) a) The Company has not defaulted in repayment of any loans or other borrowings from any lender.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

- c) The term loans were applied for the purpose for which the loans were availed.
 - d) On an overall examination of the Financial Statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - e) On an overall examination of the Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
 - f) The Company has not raised any loans by pledging securities held in their subsidiaries during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- 10) a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year so that reporting under this clause is not applicable.
- b) During the year, the Company has not made preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally). So that reporting under this clause is not applicable.
- 11) a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) No report under sub section (12) of section 143 of the companies act has been filed in Form ADT-4 as prescribed under rule 13 of companies (Audit and Auditors) Rules, 2014 with the central Government during the year and upto the date of this report..
- c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- 12) The Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
- 13) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.
- 14) a) In our opinion the Company has an internal audit system commensurate with the size and nature of its business.
- b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- 15) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- 16) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment Company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- 17) The Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- 18) During the year under review, there has been no resignation of statutory auditors during the year.
- 19) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial Statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty

exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- 20) There are no unspent amounts towards Corporate Social Responsibility (CSR) requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

- 21) The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

STANDALONE SUMMARY SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

A. COMPANY INFORMATION

Company was originally incorporated as “Vinsys IT Services India Private Limited” as a private limited company under the provisions of the Companies Act, 1956 vide Certificate of Incorporation dated January 11, 2008 issued by the Registrar of Companies, Maharashtra, Pune. Subsequently, pursuant to a special resolution passed by our Shareholders in the Extra-Ordinary General Meeting held on May 10, 2023 our Company was converted from a private limited company to public limited company and consequently, the name of our Company was changed to “Vinsys IT Services India Limited” and a fresh certificate of incorporation dated May 12, 2023 was issued to Company by the Registrar of Companies, Pune. The Corporate Identification Number of our Company is L72200PN2008PLC131274.

SIGNIFICANT ACCOUNTING POLICIES

1. Accounting Convention

The Standalone Financial statements are prepared under the historical cost convention on the “Accrual Concept” and Going Concern assumption of accountancy in accordance with the accounting principles generally accepted in India and comply with the accounting standards as prescribed by Companies (Accounting Standard) Rules, 2006 and with the relevant provisions of the Companies Act, 2013 and rules made there under.

2. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods

3. Property, Plant and Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation. Cost comprises of all expenses incurred to bring the assets to its present location and condition. Borrowing cost directly attributable to the acquisition /construction are included

in the cost of fixed assets. Adjustments arising from exchange rate variations attributable to the fixed assets are capitalized.

In case of new projects / expansion of existing projects, expenditure incurred during construction / preoperative period including interest and finance charge on specific / general purpose loans, prior to commencement of commercial production are capitalized. The same are allocated to the respective t on completion of construction / erection of the capital project / fixed assets.

Subsequent expenditures related to an item of tangible asset are added to its book value only if they increase the future economic benefits from the existing asset beyond its previously assessed standard of performance.

Capital assets (including expenditure incurred during the construction period) under erection / installation are stated in the Balance Sheet as “Capital Work in Progress.”

4. Impairment of Assets

At each balance sheet date, the Company reviews the carrying amount of its fixed assets to determine whether there is any indication that those assets suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the assets and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the assets.

5. Depreciation

All fixed assets, except capital work in progress, are depreciated on WDV Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. All Fixed Assets individually costing Rs. 5,000 or less are fully depreciated in the year of installation/purchase. Depreciation on additions to / deletions from fixed assets made during the period is provided on pro-rata basis from / up to the date of such addition /deletion as the case may be.

Notes to Standalone Financial Statements

for the period ended March 31, 2025

Asset Name	Useful Lives (Years)
Furniture & Fixtures	10
Appurtenant to Building	30
Data Power	3
Softwares	10

6. Investments

Investments are classified into current investments and non-current investments. Current investments i.e., investments that are readily realizable and intended to be held for not more than a year valued at cost. Any permanent reduction in the carrying amount or any reversals of such, reductions are charged or credited to the Statement of Profit & loss Account.

Non-current investments are stated at cost. Provision for diminution in the value of these investments is made only if such decline is other than temporary, in the opinion of the management.

7. Inventories

The Company is in the business of providing services so that it does not hold any inventories.

8. Revenue Recognition

Revenue from the operations is recognized on generally accepted accounting principal and when it is earned and no significant uncertainty exists as to its ultimate collection and includes taxes, wherever applicable.

The capital gain on sale of investments if any are recognized on completion of transaction. No notional profit/loss are recognized on such investments.

Revenue from sale of product is recognized, net of trade discounts. Sales exclude indirect taxes.

Interest income is recognized on time proportion basis, when it is accrued and due for payment.

9. Borrowing Cost

Borrowing cost that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

10. Employee Benefits

Employee Benefits:

Employee benefits include provident fund and gratuity.

Defined contribution plan:

The Company's contributions to provident fund are considered as defined contribution plan and are charged as an expense as they fall due based on the amount of contribution required to be made when the services are rendered by the employees.

Defined Benefits Plan:

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognized in the Profit and Loss Account in the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested while otherwise, it is amortized on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognized in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, as reduced by the fair value of plan assets.

Short term Employee benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and

in case of non-accumulating compensated absences, when the absences occur.

Share based payment:

The Employee Stock Option Plan (ESOPs) of the Company are in accordance with Companies act, 2013. The Plan provide for grant of options on equity shares to employees of the Company to acquire the equity shares of the Company that vest in a cliff vesting or in a graded manner and that are to be exercised within a specified period.

In accordance with the Guidance Note on Accounting for Employee Share-based Payments, issued by The Institute of Chartered Accountants of India, the cost of equity-settled transactions is measured using the Fair value method. The Fair value of ESOP is amortized

Notes to Standalone Financial Statements

for the period ended March 31, 2025

on a straight-line basis over the vesting period of the option as employee compensation cost. The cumulative expense recognized for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the number of equity instruments that are outstanding and expected to vest.

The options that do not vest because of failure to satisfy vesting condition are reversed by a credit to employee compensation expense, equal to the amortized portion of value of lapsed portion. In respect of the options which expire unexercised the balance standing to the credit of Employee's Stock Option (Grant) Outstanding accounts is transferred to Profit & Loss Account.

11. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

12. Taxes on Income

Income tax expenses for the year comprises of current tax and deferred tax. Current tax provision is determined on the basis of taxable income computed as per the provisions of the Income Tax Act. Deferred tax is recognized for all timing differences that are capable of reversal in one or more subsequent periods subject to conditions of prudence and by applying tax rates that have been substantively enacted by the balance sheet date.

13. Foreign Currency Translation

- Transaction denominated in foreign currencies are recorded at the exchange rate prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the year end are restated at closing rate.
- Any exchange difference on account of settlement of foreign currency transaction and restatement of monetary assets and liabilities denominated in

foreign currency is recognized in the statement of Profit & loss Account.

14. Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Contingent Liabilities is disclosed in Notes to the account for:-

- Possible obligations which will be confirmed only by future events not wholly within the control of the company or
- Present Obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognized in the financial statement since this may result in the recognition of the income that may never be realized.

General:

Except wherever stated, accounting policies are consistent with the generally accepted accounting principles and have been consistently applied.

B. NOTES ON ACCOUNTS

- The Standalone Financial statements including Standalone Financial information have been prepared after making such regroupings and adjustments, considered appropriate to comply with the same. As result of these regroupings and adjustments, the amount reported in the Consolidated Financial statements/information may not necessarily be same as those appearing in the respective audited Consolidated Financial statements for the relevant years.

BASIS FOR OPINION

We conducted our audit of the Consolidated Financial Statements in accordance with the standards on Auditing specified under Section 143 (10) of the Act (SAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Financial Statements under the provision of the Act, and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We

believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter
1	<p>Assessment of Trade Receivables:</p> <p>The Company has trade receivables amounting to Rs. 7486.60 Lakhs (i.e., 41.53% of total assets) at the Balance Sheet Date March 31, 2025.</p> <p>The increasing challenges over the economy and operating environment in the IT industry during the year have increased the risks of default on receivables from the Company's customers. In particular, in the event of insolvency of customers, the Company is exposed to potential risk of financial loss when the customers fail to meet their contractual obligations in accordance with the requirements of the agreements.</p> <p>Based on historical default rates and overall credit worthiness of customers, management believes that no impairment allowance is required in respect of outstanding trade receivables as on March 31, 2025.</p> <p>For the purpose of impairment assessment, significant judgements and assumptions, including the credit risks of customers, the timing and amount of realisation of these receivables, are required for the identification of impairment events and the determination of the impairment charge.</p> <hr/> <p>Auditor Response to key Audit Matter:</p> <p>Principal Audit Procedures:</p> <p>We have performed the following procedures in relation to the recoverability of trade receivables:</p> <ul style="list-style-type: none"> • Tested the accuracy of aging of trade receivables at year end on a sample basis; • Obtained a list of outstanding receivables and assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers, publicly available information and latest correspondence with customers. • Tested subsequent settlement of trade receivables after the Balance Sheet date on sample basis. <p>Conclusion:</p> <p>We found the key judgement and assumptions used by management in the recoverability assessment of trade receivables to be supportable based on the available evidence.</p>

INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON.

The Company's Board is responsible for the preparation of the other information. The other information comprises the information included Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the Financial Statements and our Auditor's Report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Financial Statements to give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with accounting standard and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatements of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention

in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid Financial Statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e) On the basis of the written representations received from the Directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure “A”**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanation given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements.

- (ii) The Company has made provision, as at March 31, 2025, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- (iii) The Company is not liable to transfer any amounts, to the Investor Education and Protection Fund during the year ended March 31, 2025.
- (iv) a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (v) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

- (vi) The Company has not paid any dividend during the year 2024-25.

Annexure “A” to the Auditor’s Report

Report on the Internal Financial Control under clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013, (‘The Act’)

We have audited the internal financial control over financial reporting of **Vinsys IT Services India Limited** (‘the Company’) as of March 31, 2025, in conjunction with our audit of the Financial Statement of the Company for the year ended on that date.

Management Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by ICAI and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, (the Act) to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was

established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025,

based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1. Accounting Convention

The Consolidated Financial statements are prepared under the historical cost convention on the "Accrual Concept" and Going Concern assumption of accountancy in accordance with the accounting principles generally accepted in India and comply with the accounting standards as prescribed by Companies (Accounting Standard) Rules, 2006 and with the relevant provisions of the Companies Act, 2013 and rules made there under.

2. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods

3. Basis of Consolidation

The assets, liabilities, costs and revenues of the individual consolidated companies are fully consolidated on a line-by-line basis, regardless of the percentage owned, while the carrying value of consolidated investments held by the Holding Company and other consolidated companies is eliminated against the related share of equity.

All intercompany balances and transactions, including unrealised profits deriving from transactions between consolidated companies, are eliminated. Unrealised losses are eliminated, unless it is likely that they will be recovered in the future.

4. Property, Plant and Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation. Cost comprises of all expenses incurred to bring the assets to its present location and condition. Borrowing cost directly attributable to the acquisition /construction are included in the cost of fixed assets. Adjustments arising from exchange rate variations attributable to the fixed assets are capitalized.

In case of new projects / expansion of existing projects, expenditure incurred during construction / preoperative period including interest and finance charge on specific / general purpose loans, prior to commencement of

Notes to Consolidated Financial Statements

for the period ended March 31, 2025

commercial production are capitalized. The same are allocated to the respective t on completion of construction / erection of the capital project / fixed assets.

Subsequent expenditures related to an item of tangible asset are added to its book value only if they increase the future economic benefits from the existing asset beyond its previously assessed standard of performance.

Capital assets (including expenditure incurred during the construction period) under erection / installation are stated in the Balance Sheet as "Capital Work in Progress."

5. Impairment of Assets

At each balance sheet date, the Company reviews the carrying amount of its fixed assets to determine whether there is any indication that those assets suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the assets and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the assets.

6. Depreciation

All fixed assets, except capital work in progress, are depreciated on WDV Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. All Fixed Assets individually costing Rs. 5,000 or less are fully depreciated in the year of installation/purchase. Depreciation on additions to / deletions from fixed assets made during the period is provided on pro-rata basis from / up to the date of such addition /deletion as the case may be.

Asset Name	Useful Lives (Years)
Computer & Allied Equipments	3
Office Equipments	5
Vehicals	8
Furniture & Fixtures	10
Appurtenants to Building	30
Data Power	3
Softwares	10

7. Investments

Investments are classified into current investments and non-current investments. Current investments i.e., investments that are readily realizable and intended to be held for not more than a year valued at cost. Any permanent reduction in the carrying amount or any reversals of such, reductions are charged or credited to the Statement of Profit & loss Account.

Non-current investments are stated at cost. Provision for diminution in the value of these investments is made only if such decline is other than temporary, in the opinion of the management.

8. Inventories

The Company is in the business of providing services so that it does not hold any inventories.

9. Revenue Recognition

Revenue from the operations is recognized on generally accepted accounting principal and when it is earned and no significant uncertainty exists as to its ultimate collection and includes taxes, wherever applicable.

The capital gain on sale of investments if any are recognized on completion of transaction. No notional profit/loss are recognized on such investments.

Revenue from sale of product is recognized, net of trade discounts. Sales exclude indirect taxes.

Interest income is recognized on time proportion basis, when it is accrued and due for payment.

10. Borrowing Cost

Borrowing cost that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. A qualifying assets is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

11. Employee Benefits

Employee Benefits:

Employee benefits include provident fund and gratuity.

Defined contribution plan:

The Company's contributions to provident fund are considered as defined contribution plan and are charged as an expense as they fall due based on the amount of contribution required to be made when the services are rendered by the employees.

Notes to Consolidated Financial Statements

for the period ended March 31, 2025

Defined Benefits Plan:

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Profit and Loss Account in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested while otherwise, it is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of plan assets.

Short term Employee benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and

in case of non-accumulating compensated absences, when the absences occur.

Share based payment:

The Employee Stock Option Plan (ESOPs) of the Company are in accordance with Companies act, 2013. The Plan provide for grant of options on equity shares to employees of the Company to acquire the equity shares of the Company that vest in a cliff vesting or in a graded manner and that are to be exercised within a specified period.

In accordance with the Guidance Note on Accounting for Employee Share-based Payments, issued by The Institute of Chartered Accountants of India, the cost of equity-settled transactions is measured using the Fair value method. The Fair value of ESOP is amortised on a straight-line basis over the vesting period of the option as employee compensation cost. The cumulative expense recognized for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the number of equity instruments that are outstanding and expected to vest.

The options that do not vest because of failure to satisfy vesting condition are reversed by a credit to employee compensation expense, equal to the amortised portion of value of lapsed portion. In respect of the options which expire unexercised the balance standing to the credit of Employee's Stock Option (Grant) Outstanding accounts is transferred to Profit & Loss Account.

12. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

13. Taxes on Income

Income tax expenses for the year comprises of current tax and deferred tax. Current tax provision is determined on the basis of taxable income computed as per the provisions of the Income Tax Act. Deferred tax is recognized for all timing differences that are capable of reversal in one or more subsequent periods subject to conditions of prudence and by applying tax rates that have been substantively enacted by the balance sheet date.

14. Foreign Currency Translation

- a) Transaction denominated in foreign currencies are recorded at the exchange rate prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the year end are restated at closing rate.
- b) Any exchange difference on account of settlement of foreign currency transaction and restatement of monetary assets and liabilities denominated in foreign currency is recognized in the statement of Profit & loss Account.

15. Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Notes to Consolidated Financial Statements

for the period ended March 31, 2025

Contingent Liabilities is disclosed in Notes to the account for: -

- (i) Possible obligations which will be confirmed only by future events not wholly within the control of the company or
- (ii) Present Obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognized in the financial statement since this may result in the recognition of the income that may never be realized.

General:

Except wherever stated, accounting policies are consistent with the generally accepted accounting principles and have been consistently applied.

NOTES

1. The Government of India, Ministry of Corporate Affairs has allowed conducting Annual General Meeting through Video Conferencing (VC) or Other Audio-Visual Means (OAVM) and dispensed the personal presence of the members at the meeting. Accordingly, the Ministry of Corporate Affairs issued Circular No. 14/2020 dated April 08, 2020 and subsequent circulars issued in this regard and latest being 09/2024 dated September 19, 2024, ("MCA Circulars") and Circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, and subsequent circulars issued in this regard and latest being SEBI/HO/CFD/CFD-PoD2/P/CIR/2024/133 dated October 3, 2024, issued by the Securities Exchange Board of India ("SEBI Circular"), prescribing the procedures and manner of conducting the Annual General Meeting through VC/OAVM. In terms of the said circulars, the 17th Annual General Meeting ("AGM") of the Members will be held through VC/OAVM. Hence, Members can attend and participate in the AGM through VC/ OAVM only. The detailed procedure for participation in the meeting through VC/OAVM is as per note below and available at the Company's website www.vinsys.com
2. Pursuant to the provisions of the Companies Act, 2013 (the Act), a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf, and the proxy need not be a member of the Company. Since this AGM is being held through the VC / OAVM facility pursuant to the provisions of the MCA Circulars and the SEBI Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM.
3. Information regarding appointment/re-appointment of Director(s) and Explanatory Statement in respect of special businesses to be transacted pursuant to Section 102 of the Companies Act, 2013 and/or Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard II is annexed hereto.
4. In view of the 'Green Initiatives in Corporate Governance' introduced by MCA and in terms of the provisions of the Companies Act, 2013, members who are holding shares of the Company in physical mode, are required to register their email addresses, so as to enable the Company to send all notices/reports/ documents/intimations and other correspondences, etc., through emails in the electronic mode instead of receiving physical copies of the same. Members holding shares in dematerialized form, who have not registered their email addresses with Depository Participant(s), are requested to register/ update their email addresses with their Depository Participant(s).
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. In accordance with the Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India ("ICSI"), as revised with effect from April 01, 2024, read with Clarification/Guidance on applicability of Secretarial Standards 2 dated April 15, 2020 issued by the ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM.
7. Pursuant to the MCA Circulars read with SEBI Circular dated 5th January, 2023 and SEBI Circular SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 7, 2023 ("SEBI Circular"), the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. Hence, the Proxy Form and Attendance Slip including Route Map are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting. Institutional/Corporate Shareholders are required to send a scanned copy (PDF/JPG format) of its Board or governing body resolution/ authorization etc., authorising its representative to attend the AGM through VC/OAVM on its behalf and to vote through remote e-voting. The said resolution/ authorization shall be sent to the Company Secretary by email to compliance@vinsys.com with a copy marked to evoting@nsdl.com and scrutinizer at scsandcollp@gmail.com, at least 48 hours before the commencement of AGM.
8. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
9. Electronic dispatch of Notice and Annual Report in accordance with the MCA General Circular Nos. 20/2020 dated 5th May, 2020 and 10/2022 dated 28th December, 2022 and SEBI Circular No. SEBI/HO/CFD/ PoD-2/P/CIR/2023/4 dated 5th January, 2023 and Subsequent circulars issued in this regard, the Financial Statements (including Board's Report, Auditors' Report or other documents required to be attached therewith) for the Financial Year ended 31st March 2025 pursuant to Section 136 of the Companies Act, 2013 and

Notice calling the AGM pursuant to Section 101 of the Companies Act, 2013, read with the Rules framed thereunder, such statements including the Notice of AGM are being sent only in electronic mode to those Members whose email addresses are registered with the Company / MUFG Intime India Private Limited or the Depository Participant(s). The physical copies of such statements and Notice of AGM will be dispatched only to those shareholders who request for the same.

10. The Notice has also been uploaded on the website of the Company at www.vinsys.com and the website of the Stock Exchange i.e. NSE Limited at www.nseindia.com and is also made available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
11. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone / mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc. to their respective Depository Participants.
12. For ease of conduct, Members who would like to ask questions may send their questions in advance at least seven (7) days before AGM, mentioning their name, demat account number/folio number, email id, and mobile number at compliance@vinsys.com and register themselves as a speaker. Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM.
13. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. A periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
14. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Companies Act, 2013, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. September 30, 2025. Members seeking to inspect such documents can send an email to compliance@vinsys.com.
15. Pursuant to regulation 44(6) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, the Company is providing VC/OAVM facility to its members to attend the AGM.
16. There being no physical shareholders in the Company, the Register of members and share transfer books of the Company will not be closed. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e. Tuesday, September 23, 2025, shall be entitled to avail the facility of remote e-voting as well as e-voting system on the date of the AGM. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.
17. The members who have cast their vote by remote e-voting prior to AGM may also attend the AGM but shall not be entitled to cast their vote again.
18. SEBI vide Circular Nos. SEBI/HO/OIAE/OIAE_IAD-1/P/ CIR/2023/131 dated July 31, 2023, and SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/135 dated August 4, 2023, read with Master Circular No. SEBI/HO/OIAE/OIAE_IAD-1/P/ CIR/2023/145 dated July 31, 2023 (updated as on August 11, 2023), has established a common Online Dispute Resolution Portal ("ODR Portal") for resolution of disputes arising in the Indian Securities Market. Pursuant to above-mentioned circulars, post exhausting the option to resolve their grievances with the RTA/ Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal (<https://smartodr.in/login>) and the same can also be accessed through the website <https://on.tcs.com/ODRPortal>.
19. Process and manner for Members opting for voting through Electronic means:
 - i.
